SEVENTY-FIRST

ANNUAL REPORT

OF THE

MUNICIPAL GOVERNMENT

OF THE CITY OF

NASHUA, N. H.

FOR THE
FINANCIAL YEAR
1923

THE MARQUIS PRESS,
NASHUA, N. H.
1924

INAUGURAL MESSAGE

Eaton D. Sargent, Mayor

Nashua, N. H.,
January 1, 1924.

It is a long established and wise practice for the Mayor to discuss with you some of the more important questions that will come before us in regular course, and possibly suggest others that should have careful consideration and in some cases make recommendations in relation thereto.

It seems altogether fitting that I should make some mention of my predecessors in the Mayoralty Chair who without exception, so far as my information goes, have been men of outstanding ability and character, and I would make special mention of my immediate predecessor, Hon. Henri A. Burque, with whom I have had much to do in an official way during the past two years. I have found him a splendid type of citizen and official, always keen for the welfare and well-being of Nashua, and his administration of the affairs of this city reflects great credit.

We appreciate fully the confidence expressed by our fellow citizens in selecting us to manage the municipal affairs for the next two years. It is a sacred trust, but I do believe, however, that the people of Nashua have not fully performed all their obligations by simply selecting officials to act for them. I ask of every citizen of Nashua his or her co-operation and assistance in solving the problems that surely will arise, and when necessary suggesting

new opportunities and subjects for consideration. Constructive criticism, I am sure, will always be most welcome. Let us have in mind that generations still unborn are likely to be benefited or burdened by the way in which the city officials and citizens of the city perform their civic duties. Face every responsibility man fashion and pass no problems on to our successors that with intelligence and justice we can properly solve. I would have our watchword: "Careful consideration then positive action."

GENERAL CONDITIONS IN NASHUA

For several years our city has experienced a substantial and healthy growth and within the past two or three years the growth has been decidedly marked. New buildings are being erected in all sections of the city and still there is a demand for many additional homes to even accommodate the needs of those who are actually living here, to say nothing of many people who would like to come among us to reside provided the facilities were available. The natural advantages of Nashua as a shipping center are well and widely known. Our physical advantages by reason of location at confluence of two large rivers which lend a most favorable aspect for healthful and attractive conditions and with a favorable climate place us in a position not excelled by any city or locality in this section of the country. These conditions backed up by a naturally attractive topography and a fine citizenship justify us in a confident forward look of both population and valuation.

VALUATION AND INDEBTEDNESS

I shall not at this time go into the matter of detailed statistical extracts from the records of the various city departments, but give a few figures of general interest. The assessed valuation of the city of Nashua for 1923 was $39,686,192. Our total net indebtedness in its various

subdivisions is $1,404,706.39, and using the 1923 valuation figures would permit an indebtedness of $2,381,171.52. My reason for mentioning this will appear later. Against our present indebtedness as stated, the tangible assets of the city, consisting of real estate, buildings, machinery, equipment, etc. are approximately $2,000,000 so that for the purpose of arriving at a Statement of Condition, such as would be made up in every well-ordered business organization, the city of Nashua is in excellent condition financially.

BUDGET

The city charter provides that on or before the 1st day of February each department shall make estimate of their probable needs for the coming year. I am going to ask the various departments to see that this matter receives their attention very promptly, and in connection therewith I would urge every possible economy that can be practiced without interfering with the well-ordered needs of the community. I trust it will not be necessary to increase materially the present tax rate, but there are some things, however, that we must have, - or saying it in another way, that we cannot longer afford to do without - and I will speak of some of these later.

PROMPT PAYMENT OF CITY BILLS

I shall insist upon the adoption of a suitable system of financing the city affairs so that we may be enabled to reap the full benefit of all available discounts on purchases made by the city as fully and completely as is done by any up-to-date business establishment. Much can be saved for the city in this way.

MATTER OF TAXES

To those of our citizens who pay a substantial tax the prospect of such economies as will effect a reduction in the tax rate is attractive to contemplate. Please do not forget, however, that fixed charges, maintenance of highways, buildings, equipment, and all material that must necessarily be purchased is so much higher than formerly that there is but little prospect of this or any other municipality effecting a reduction in the tax rate under present conditions except by depriving the people of advantages and privileges that they can scarcely afford to forego. It should be our aim, however, to see that every dollar expended by the municipality is spent wisely and profitably.

SCHOOLS AND SCHOOL HOUSES

I desire the very best educational facilities in our public schools. We should have the most modern equipment and buildings since there our children spend a large portion of the formative period both in their mental and physical development. The Mount Pleasant School should be immediately replaced by a structure that will properly care for the needs of that growing section of the city for many years. Much consideration and the best thought should be given to this much needed new schoolhouse and I urge that the matter be considered promptly.

The matter of facilities at the Palm Street School should be given immediate attention. From a rough survey of conditions I am satisfied that some rather drastic action should be taken to relieve the situation at this point.

I would have school matters handeled with vision and foresight and in no niggardly spirit. The health and mental development of the children of our city are priceless, and I urge a liberal and progressive policy that we may

give our children the best training possible to prepare them for the work of life.

BOARD OF PUBLIC WORKS

I strongly favor continuance of the policy adopted some time ago by the Board of Public Works, making each year some substantial permanent improvement in highways and sidewalks along definite and well thought out lines, conducting the department so as to encourage home building insofar as can reasonably be done.

I very strongly urge taking such action as will provide for the widening of Main Street on the west side between West Pearl Street and the Boston & Maine Railroad, and it may be thought desirable to extend this through to West Hollis Street as traffic conditions at the junction of Main and Hollis Streets are becoming acute. I trust your Honorable Board will co-operate with me in bringing about as promptly as possible this much needed public improvement.

The ever increasing automobile traffic emphasizes the need of some action to relieve the congestion in that section of Main Street from City Guaranty Savings Bank to Franklin Street, commonly known as "the neck of the bottle." This is a condition which you should have in mind for remedy in the comparatively near future. It will probably involve the setting back of a large number of buildings and the construction of a new bridge across the Nashua River.

I offer this as a matter worthy of thought and one well worth while to keep in mind and plan for rather than as a subject for immediate action.

POLICE DEPARTMENT

The affairs of our Police Department are in a very satisfactory condition. This Department particularly should have the wholehearted co-operation and support of every citizen in its effort to eliminate prevalent forms of crime among us. It should be remembered that our policemen have many disagreeable duties to perform and that the criminally inclined are ever trying to discredit these officials in the eyes of the public and to baffle their attempts at enforcing the law. I especially urge it as a duty of every loyal citizen of Nashua to assist in every reasonable way our Police Department in their efforts towards the detection and punishment of the so-called "bootlegger" element. Their nefarious traffic should have no place in this city.

FIRE DEPARTMENT

For many years the efficiency of our Fire Department has been a subject of justifiable pride. The Department is well manned and reasonably well equipped. I recommend, however, the immediate completion of the program for the motorization of the Crown Hill and Lake Street Stations, and in due time I shall submit to you further facts and figures to the end that the complete motorization of the Nashua Fire Department may be an accomplished fact.

BLANKET INSURANCE POLICY
FOR ALL CITY PROPERTY

I recommend that necessary steps be taken at once to investigate thoroughly the subject of fire insurance, having in mind the coverage of all the city's property under a blanket policy so as to amply protect the municipality in case of fire. By this means I am sure that adequate protection can be secured, a much lower rate obtained, and that it will be possible to provide in the budget for a fixed

sum of insurance premium to mature each year. Such change, if adopted, will, I am certain, simplify and improve the situation very much.

PARKS AND RECREATION COMMISSIONS

I commend to your careful attention the recommendations that will in due time be made by the Park Commission and the Recreation and Playground Commission.

I am thoroughly in sympathy with a broad and comprehensive plan of parks which, of course, carry with them in some measure the activities of the Recreation and Playground Commission. The natural facilities of Nashua in this direction are quite unsurpassed, and if I properly sense the feelings of the citizens of Nashua, we shall take up in a determined way the proper development of our park system within, of course, reasonable limitations.

I am heartily in favor of the development in the Artillery Pond section of what perhaps might be properly known as a Soldiers Memorial Athletic Field. This will without doubt, involve a considerable expenditure of money, but with the assistance of the generous people of Nashua I am sure that the city can safely and most wisely proceed forthwith along this line. I shall co-operate in every possible way.

The park commonly known as South Common should be developed and at once made available as a health-giving and beautiful playground properly improved so that it may be what it was naturally intended to be, a beauty spot in Nashua.

I believe that we should pursue the policy of having such parks and playgrounds as will provide pleasant, easily ac-

cessible, and attractive places for all the people of Nashua during suitable weather. This type of community life will develop a community spirit which will certainly deepen our interest in each other, enable us to work more earnestly for the common good, as well as furnish the very highest type of enjoyment.

PUBLIC BATHING PLACE

I commend to your consideration the matter of a suitable public bathing place such as might be offered at Field's Grove. I shall in due time request the Recreation and Playground Committee to suggest a plan for your consideration.

POOL ROOMS

I favor the adoption of an ordinance providing for more stringent rules and regulations in the conduct and management of pool rooms. To my mind there should be thorough investigation of the character of applicants for pool room licenses, of the locality in which pool rooms are to be permitted, and whether or no the granting of a license in any particular instance will be for or against the public good. I would suggest further that the Chief of Police be notified of applications for pool room licenses and be given an opportunity to appear before the committee or board having in charge the granting of such licenses, or even that the entire matter be placed in the hands of the Police Department.

MUNICIPAL OFFICES

To my mind there should be a provision made for the separation of the offices of City Treasurer who is also the Tax Collector, and the City Clerk who is also the Overseer of the Poor. The tremendous increase in the volume of business

in each of these offices would, it appears to me, entitle them to separate office facilities. Furthermore, I believe that the best interests of the city would be served by so doing.

BUILDING INSPECTOR

The rapid development of Nashua and the scores of new buildings being erected in various parts of the city have brought us to a point where proper protection both from fire and disease are absolutely imperative. I recommend for your consideration such action as may be necessary for the establishment of proper building regulations.

MILK INSPECTION

I recommend for your consideration the question of proper milk inspection and the employment of a full time Inspector. Recent exhaustive research has proved this to be a matter of tremendous importance in any community, and if it is to save the life of but one child in our midst the expense should not be considered.

ADDITIONAL VOTING FACILITIES

Present congested conditions at the polling places in Wards 1, 7, and 8 require your attention, and I would recommend that consideration be given by your Honorable Board to the advisability of establishing two voting precincts each in Ward 1 and Ward 7 and not more than three precincts in Ward 8.

LIST OF VETERANS IN WORLD WAR

I recommend that some official action be taken by the Board of Alderman looking to the appointment of a committee of three citizens outside of the city government to provide as complete a list as possible of the veterans of the

world war and handle the matter in conjunction with the City Clerk to the end that a suitable and official list be made a part of the city records.

HISTORICAL SOCIETY

I am thoroughly in favor of the formation of a Nashua Historical Society for the purpose of perpetuating and making accessible historical data and valuable information as well as preserving curios and mementos that will be of ever increasing value. I am in favor of aiding such a project in connection perhaps with the public library activities, or otherwise as would seem best after proper investigation.

BAND CONCERTS

I commend for your consideration the matter of a series of band concerts during the coming summer. I believe these should be a part of our community life.

CODIFICATION OF ORDINANCES

Numerous changes and additions have been made in our ordinances since the last revision. These are in no convenient form for reference, and I would recommend that the necessary steps be taken so that our city ordinances may be in complete and accessible form.

AMENDING CHARTER

Our present charter has been in use nine years, and is, I believe, generally accepted by our people as an established success. Both experience and changing conditions have suggested minor amendments which, it is believed, will improve the administrative efficiency of the charter. I recommend that a committee be appointed to examine the

charter and recommend such alterations and amendments as seem desirable, and present same to the next legislature for consideration.

CONCLUSION

I am sure, my friends, that to me it is a most auspicious moment when I can humbly dedicate myself through the office of Mayor to the service of one of the real, fine cities of our old New England. I feel sure that our contact with the citizens of Nashua and each other will be helpful and constructive. Our continued effort should be to give to our home city the very best service that lies in us, ever actuated by the desire and determination to do that which will be of real and lasting benefit.

CITY GOVERNMENT OF THE CITY OF NASHUA, N.H.
FOR THE YEARS 1922-23

MAYOR

HON. HENRI A. BURQUE

Residence, 353 Main Street

Elected at the General Municipal Election, December 6, 1921

RESOLUTIONS and ORDINANCES

PASSED BY THE BOARD OF ALDERMAN AND APPROVED BY THE MAYOR DURING THE YEAR 1923

CITY OF NASHUA

Resolutions and Ordinances

ADOPTING RULES AND FIXING THE TIME FOR HOLDING REGULAR MEETINGS.

Resolved, By the Board of Aldermen of the City of Nashua:

That the rules of the Board of Aldermen for 1922 be and the same are hereby adopted for 1923 and that the time for holding regular meetings be on the second and fourth Tuesdays of each month at eight (8) o'clock in the afternoon.

Passed January 1, 1923.
Approved January 2, 1923.

RESOLUTION

AUTHORIZING THE FINANCE COMMITTEE TO BORROW MONEY IN ANTICIPATION OF TAXES.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Finance Committee be and they hereby are authorized and directed to borrow, from time to time during the current municipal year, beginning January 1, 1923 a sum or sums not exceeding $850,000.00 for the purpose of meeting the current expenses of the City, and the Mayor and Treasurer are hereby authorized to execute and issue a negotiable note or notes of the City of Nashua therefor.

Every such note shall become due and payable within one (1) year from the date of the loan for which it is issued is incurred, but no such note shall be payable on demand, or shall be valid unless authenticated by the certificate of the First National Bank of Boston.

All debts incurred under authority of this vote shall be paid from the taxes of said current municipal year.

Passed January 1, 1923.
Approved January 2, 1923.

RESOLUTION

EXEMPTING FROM TAXATION PROPERTY OF THE AMERICAN BOX AND LUMBER COMPANY.

Resolved, By the Board of Aldermen of the City of Nashua:

Whereas the American Box and Lumber Company, a corporation duly organized under the laws of the State of New Jersey, and doing business in this City, has suffered a great loss in a recent fire which has destroyed its main manufacturing building; and the City of Nashua has seen, as a consequence thereof, a substantial number of its inhabitants thrown out of employment;

And Whereas said Company proposes to errect a new building and install machinery therein to continue its operation;

And Whereas it is in the interest of this City that said manufacturing establishment be preserved.

Now Therefore Be It Resolved that said new building so proposed to be erected by said American Box and Lumber Company, to replace the one destroyed by fire, and to be used for the manufacture of lumber and boxes, together with the fixtures and machinery to be installed therein, and the capital invested in said new building, fixtures and machinery, shall be and hereby are exempted from taxation for a period of ten years from the 1st day of January, 1923; provided however that said American Box and Lumber Co., shall pay to the City of Nashua annually the amount of the State and County Tax due in respect to said property from said City of Nashua to the State of New Hampshire and County of Hillsborough, as required by an act of the Legislature of said State, approved April 9, 1909 entitled "An Act in Amendment of Section 11 Chapter 55 of the Public Statutes, relating to tax exemption."

Passed February 27, 1923.

Approved February 28, 1923.

RESOLUTION

EXEMPTING PROPERTY OF THE E. W. LABOMBARDE REALTY COMPANY FROM TAXATION.

Resolved, By the Board of Aldermen of the City of Nashua:

Whereas the E. W. Labombarde Realty Company, a corporation duly established under the laws of the State of New Hampshire, and doing business in this City, proposes to erect a new fireproof building on Main Street, to replace the present old wooden building now standing on the site in question, which said new building is to be approximately 300 feet in length and from 50 to 60 feet in width, and is to be used for manufacturing purposes.

And whereas said new building will not only be an improvement to said Street, but will also be conducive to greater manufacturing capacity.

Now Therefore Be It Resolved that said new building so proposed to be erected by said E. W. Labombarde Realty Company and which is to be used for manufacturing purposes, (but not including the land on which said building is to be erected,) and the capital invested in said building. shall be and hereby is exempted from taxation for a period of ten years from the date of the passage of this resolution, provided however that the Assessors shall annually appraise such property and the valuation determined upon for the same shall be added to the valuation of all other property in the city to determine the total valuation for the purpose of State and County Tax; and provided also that said company shall annually pay State and County Tax; said exemption being granted in accordance with the provisions of Section 11 chapter 55 of the Public Statutes of New Hampshire, as amended by Chapter 166 Section 1 of the Session Laws of New Hampshire for the year 1909.

Passed February 27, 1923.

Approved February 28, 1923.

RESOLUTION

TO EXEMPT FROM TAXATION THE PROPERTY OF THE AMERICAN HEEL COMPANY.

Resolved, By the Board of Aldermen of the City of Nashua:

Whereas the American Heel Company, a corporation duly established under the laws of the State of Massachusetts and having its principal place of business in Groton, Mass., proposes to locate in Nashua and manufacture its products in said city, products which consists of heels of all kinds.

THEREFORE BE IT RESOLVED, that all machinery, tools and stock in trade to be used in said manufacturing business to be carried on by said American Heel Company in buildings to be leased by it and located on Otterson St., together with all the personal property of said corporation, and the capital to be used in operating and couducting said business be and the same is hereby exempt from taxation for a period of ten years from the passage of this resolution, provided, however, that the Assessors shall annually appraise said property and the valuation determined upon for the same shall be added to the valuation of all other property in the city to dertermine the total valuation for the purpose of the State and County tax, which said tax the said American Heel Company agrees to pay.

In accordance with the provisions of Section 2, Chapter 55 of the Public Statutes of New Hampshire as amended by Chapter 166, Section 1 of the Sessions Laws of New Hampshire for the year 1909, under which laws said exemption is granted.

Passed March 27, 1923.

Approved March 28, 1923.

RESOLUTION

AUTHORIZING THE MAYOR TO SIGN THE CONTRACT FOR PRINTING THE CITY REPORT.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Mayor be and hereby is authorized to sign a contract with Emile E. Marquis for printing and binding the City Report for 1922.

Passed April 24, 1923.

Approved April 25, 1923.

RESOLUTION

AUTHORIZING THE MAYOR TO TRANSFER LAND ON GILMAN AND SAWYER STREETS TO BELLE J. SEEBERGER.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Mayor be, and hereby is, authorized and empowered to transfer to Belle J. Seeberger, by a good sufficient Warrantee Deed, the following tract or parcel of land situate on the westerly side of Sawyer, formely Willie Street and the notherly side of Gilman Street in said Nashua, bounded and described as follows:-

Beginning at a stone bound at the northeast corner of the premises and at the southeast corner of land of Belle J. See berger; thence southerly along the westerly line of Sawyer, formely Willie Street, 2.05 feet to its intersection with the notherly line of Gilman Street as laid out by said City of Nashua in 1921; thence westerly along the notherly line of said Gilman Street 80.80 feet to land of Maude I. Sanders; thence northerly by land of said Sanders 5.86 feet to land of said Seeberger; thence easterly along land of Seeberger 81. 50 feet to the place of beginning. Meaning and intending a part of the same premises conveyed to the City of Nashua

by Fred W. Saunders, Nov. 19, 1921 and recorded Vol. 798 page 436 of the Hillsborough County Registry of Deeds.

The above transfer is to be made in compensation and release of any and all claim, if any, which the said Belle J. Seeberger may have for damages arising from the laying out of Gilman and Sawyer Streets.

Passed May 8, 1923.

Approved May 9, 1923.

RESOLUTION

OMITTING REGULAR MEETINGS.

Resolved, By the Board of Aldermen of the City of Nashua:

That the second regular meeting of the Board of Aldermen be omitted during June, July, August and September.

Passed June 12, 1923.

Approved June 14, 1923.

RESOLUTION

AUTHORIZING THE COMMITTEE ON LANDS & BUILDINGS TO SELL AT PUBLIC AUCTION THE ISOLATION HOSPITAL, SO-CALLED

Resolved, By the Board of Aldermen of the City of Nashua:

The Committee on Lands & Buildings are hereby authorized and instructed to sell at public auction, at whatever time and under whatever conditions they deem advisable, a certain tract of land situated on the easterly side of the Taylor Road, with buildings thereon bounded and described as follows:

Beginning at the Northwest corner of the premises at a point in the easterly line of the Taylor Road, said point

being about 70.0 feet Southerly from the corner of the wall at land of the American Box and Lumber Company; thence South 34 West along the Easterly line of said Taylor Road a distance of 200.0 feet to land of Nashua Development Co., thence South 56 East by land of said Nashua Development Co., a distance of 200.0 feet; thence North 34 East by land of said Nashua Development Co., a distance of 200.0 feet; thence North 56 West by land of said Nashua Development Co., a distance of 200.0 feet to the place of beginning.

The Mayor is further authorized and instructed, upon the completion of said sale, to deliver to the purchaser a good and sufficient deed for said premises in the name of the City of Nashua.

Passed June 12, 1923.
Approved June 14, 1923.

RESOLUTION

AUTHORIZING THE MAYOR TO PURCHASE TWO PARCELS OF LAND ON MONROE AND LINWOOD STREETS.

Resolved, By the Board of Aldermen of the City of Nashua:

That Henri A. Burque, Mayor of the City of Nashua, be and he hereby is authorized and instructed to purchase of William E. Foisie, for and in behalf of the City of Nashua, two parcels of land, 100 ft. x 50 ft. each, situated on Monroe and Linwood Streets and being described on the Assessor's Plans as Lot 36 Monroe Street and Lot 11 Linwood St. respectively.

The Mayor is further authorized to pay to said William E. Foisie the sum of $600.00 in consideration of the transfer of said lots to the City of Nashua.

Said lots to be used by said City of Nashua in the proposed extension of Wadleigh Street for sewer purposes.

Passed July 10, 1923.
Approved July 11, 1923.

RESOLUTION

AUTHORIZING THE JOINT SCHOOLHOUSE COMMITTEE TO ENGAGE AN ARCHITECT FOR THE PROPOSED HARBOR SCHOOLHOUSE.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Joint Schoolhouse Committee be and hereby are authorized to engage the services of the architect chosen by the Committee to prepare complete plans and specifications of the proposed building to replace the present Harbor Schoolhouse as recommended by the said committee. The architect's fee shall not exceed the sum of Four Thousand Dollars ($4,000.00.)

This School to be named the James B. Crowley Elementary School.

Passed July 10, 1923.

Approved July 11, 1923.

AN ORDINANCE

AMENDING CHAPTER 35 OF THE REVISED ORDINANCES ENTITLED, "SALARIES AND COMPENSATION" AS AMENDED BY ORDINANCE PASSED JULY 13, 1920.

Be it Ordained, By the Board of Aldermen of the City of Nashua:

Section 1.

Amend Section 1, by striking out the whole of said Section and inserting in place thereof, the following:

> The City Clerk and Oveseer of the Poor shall receive in full for his services and for all duties appertaining to his office the sum of Two Thousand Two Hundred Dollars ($2,200.00) per annum, to be paid in equal monthly payments of One Hundred and Eighty Three

Dollars and Thirty Three Cents, ($183.33) each. All fees, perquisites and emoluments allowed the City Clerk except the fees provided for by Chapter 173 of the Public Statutes and Chapter 55 of the Laws of 1919 and amendments thereto shall be accounted for and paid by him to the City Treasurer.

Amend Section 5 by striking out the whole of said Section and inserting in place thereof the following:

The City Treasurer and Collector of Taxes shall receive in full for his services the sum of Twenty Four Hundred Dolars ($2,400.00) per annum, payable in equal monthly payments of Two Hundred Dollars ($200.00) each, and all fees and perquisites pertaining to the office of Collector of Taxes shall be the property of and paid in to the City.

Amend Section 13 of said Ordinances, by striking out the whole of said Section and inserting in place thereof the following:

The Health Officer appointed by the Board of Health shall receive in full for his services and for all duties appertaining to his office the sum of Eighteen Hundred Dollars ($1,800.00) per annum payable in equal monthly payments of One Hundred Fifty Dollars ($150.00) each.

Section 2.

All ordinances or parts of Ordinances inconsistent herewith are hereby repealed.

Passed July 10, 1923.
Approved July 11, 1923.

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF SIXTY THOUSAND DOLLARS ($60,000.00) TO PAY FOR THE INSTALLATION AND CONSTRUCTION OF SEWERS IN PUBLIC STREETS IN NASHUA.

Resolved, By the Board of Aldermen of the City of Nashua:

Pursuant to the provisions of the Municipal Bonds Act of 1895, as amended by the laws of 1917, Chapter 129, and to the provisions of a special act which was approved on May 4, 1923 entitled "An Act empowering the City of Nashua to incur debt to the amount of six per cent of its valuation" the Mayor and Treasurer are hereby authorized to issue and sell, under the direction of the Finance Committee, bonds of the City of Nashua in the aggregate principal sum of Sixty Thousand Dollars $(60,000.)

Said bonds are to be issued for the purpose of paying for the installation and construction of public sewers in certain public streets in Nashua, namely, Crown Street, East Pearl Street, High Street, School Street, Walnut Street System and Wadleigh Street Extention System and in divers other Streets within the City of Nashua and the proceeds of the sale of said bonds are hereby appropriated for that purpose.

Said bonds shall be payable to bearer, shall be dated August 1, 1923, shall bear the City Seal, shall be signed by the Mayor and countersigned by the Treasurer and the said bonds shall be for the sum of ($1,000.)

One Thousand Dollars each and shall be due and payable serially each year as follows, Four Bonds of $1,000.00 in one, two, three, four, five, six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen and fifteen years respectively, from the date thereof; shall bear interest at a rate to be established by the Treasurer, not exceeding four and one-half per cent per annum, said interest to be payable semi-

annually on the first day of August and the first day of February of each year.

Both principal and interest shall be payable in gold coin of the United States of America of the present standard of weight and fineness at the office of the Treasurer in Nashua, New Hampshire, or, at Holder's option at the First National Bank of Boston, Boston, Mass. The coupons shall bear the fac-similie signature of the Treasurer. None of said bonds shall be obligatory without the authenticating certificate of said The First National Bank of Boston endorsed thereon.

Passed July 10, 1923.

Approved July 11, 1923.

RESOLUTION

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF SIXTY-FIVE THOUSAND DOLLARS TO PAY FOR THE IMPROVEMENT AND CONSTRUCTION OF PUBLIC HIGHWAYS IN NASHUA.

Resolved, By the Board of Aldermen of the City of Nashua:

Pursuant to the provisions of the Municipal Bonds Act of 1895 as amended by the Laws of 1917, Chapter 129 and to the provisions of a special act which was approved on May 4, 1923 entitled "An Act empowering the City of Nashua to incur debt to the amount of six per cent of its valuation" the Mayor and Treasurer are hereby authorized to issue and sell, under the direction of the Finance Committee, bonds of the City of Nashua in the aggregate principal sum of Sixty-five Thousand Dollars ($65,000.00.)

Said bonds are to be issued for the purpose of paying for the improvement and construction of public highways of a permanent nature and character, in Nashua, namely - East

Pearl Street, West Pearl Street, Crown Street, High Street, School Street, Washington Street, Clay Street, Harrison St., Summer Street, Cross Street, Beacon Street, Auburn Street, Locust Street, Highland Street and Bowers Street and the proceeds of the sale of said bonds are hereby appropriated for that purpose.

Said bonds shall be payable to bearer, shall be dated August 1, 1923, shall bear the City Seal, shall be signed by the Mayor and countersigned by the Treasurer and the said bonds shall be for the sum of ($1,000.00) One Thousand dollars each and shall be due and payable serially each year as follows: Five bonds of $1,000.00 each in one year. Five Bonds of $1,000.00 each in two years, Five Bonds of $1,000. in three years, Five Bonds of $1,000.00 each in four years, and Five Bonds of $1,000.00 in five years; Four Bonds of $1,000.00 each in six, seven, eight, nine, ten, eleven, twelve, thirteen, fourteen and fifteen years respectively from the date thereof; shall bear interest at a rate to be established by the treasurer, not exceeding four and one-half per cent per annum, said interest to be payable semi-annually on the first day of August and the first day of February of each year.

Both principal and interest shall be payable in gold coin of the United States of America of the present standard of weight and fineness at the office of the Treasurer in Nashua, New Hampshire, or, at holder's option at the First National Bank of Boston, Boston, Mass. The coupons shall bear the fac-simile signature of the Treasurer. None of said bonds shall be obligatory without the authenticating certificate of said The First National Bank of Boston endorsed thereon.

Passed July 10, 1923.
Approved July 11, 1923.

RESOLUTION

AUTHORIZING THE MAYOR TO PURCHASE LAND AT FIELD'S GROVE.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Mayor be instructed and authorized to purchase enough land at Field's Grove at a cost not exceeding Two Thousand Dollars ($2,000.) to properly fit out a City Municipal Swimming Pool and that same be turned over immediately to the proper authorities to start action on same.

This money to be taken from any money in the City Treasury not otherwise appropriated.

Passed July 10, 1923.
Approved July 11, 1923.

RESOLUTION

IN RELATION TO THE COLLECTION OF POLL TAXES.

Resolved, By the Board of Aldermen of the City of Nashua:

That the collector of taxes be and hereby is authorized to forward during the month of July 1923, a notice to each and every poll tax payer of the City of Nashua, notifying each poll tax payer that the poll tax for 1923 must be paid on or before August 1st, 1923, and for all poll taxes not paid by said date to charge costs amounting to 20 cents for said notice, the said notice to consist of the publication of this resolution in the newspapers of this city in three separate issues during the months of July and RESOLVED FURTHER that the collector of taxes be and hereby is authorized to proceed to distrain for all poll taxes not paid by the first day of August, 1923.

Passed July 10, 1923.
Approved July 11, 1923.

RESOLUTION

APPROPRIATING THE SUM OF TWO THOUSAND DOLLARS FOR THE POLICE DEPARTMENT FOR THE PURCHASE OF TRAFFIC SIGNALS.

Resolved, By the Board of Aldermen of the City of Nashua:

That the sum of Two Thousand ($2,000) Dollars be and the same is hereby appropriated to be expended by the Police Department for the purchase of traffic signals.

This money to be taken from any monies in the City Treasury not otherwise appropriated.

Passed July 10, 1923.

Approved July 11, 1923.

RESOLUTION

APPOINTING A COMMITTEE TO INVESTIGATE THE CONDITION OF THE HIGHWAY BETWEEN THE STREET RAILWAY TRACKS.

Resolved, By the Board of Aldermen of the City of Nashua:

WHEREAS considerable complaint has been made of the condition of the highway between the tracks of the Nashua Street Railway in the City of Nashua, and WHEREAS no extensive repairs have been made to this part of the highway for sometime, and WHEREAS a large volume of traffic along these highways necessiates the frequent use of this part of the highway, which is now in deplorable condition.

BE IT RESOLVED, That three members of the Board of Aldermen be appointed by the President a committee to confer with the Board of Public Works and officials of the Nashua Street Railway to dertermine the reason for this neglect and to find what action, if any, is needed to remedy this situation.

BE IT FURTHER RESOLVED, That this Committee report its findings to this Board at its August meeting.
Passed July 10, 1923.
Approved July 11, 1923.

RESOLUTION

AUTHORIZING THE APPOINTMENT OF A COMMITTEE OF 5 TO CONSIDER THE MATTER OF STREET LIGHTING

Resolved, By the Board of Aldermen of the City of Nashua:

Whereas the contract now in force between the City of Nashua and the Nashua Light, Heat & Power Company, for lighting the public highways of Nashua, expires August 9, 1923.

Therefor Be It Resolved that a Committee of five (5) consisting of the Mayor the Standing Street Lighting Committee and One other Alderman to be appointed by the President be and hereby are constituted as a Cammittee to confer with the officials of the Nashua Light, Heat & Power Company and obtain all data and rates necessary for the information of the Board and report their findings as soon as possible.
Passed July 10, 1923.
Approved July 11, 1923.

RESOLUTION

IN MEMORIAM OF THE DEATH OF WARREN G. HARDING, PRESIDENT OF THE UNITED STATES

Resolved, By the Board of Aldermen of the City of Nashua:

WHEREAS, GOD in HIS infinite wisdom has deemed it wise to call unto HIMSELF, WARREN G. HARDING, President of the United States on the 2nd. day of August 1923.

And Whereas in the death of our President, the Nation has lost a kind, amiable, patriotic, sincere and honest leader.

Now THEREFOR BE IT RESOLVED that the Citizens of Nashua through their Representatives in meeting assembled, deplore and mourn the departure from this earth of this affectionate and beloved personage; that in President Harding they recognized and admired virtues and human traits worthy of esteem and emulation; that by these virtues and human traits our President had endeared himself to the hearts of all true Americans; and that the United States of America will ever have and cherish a tender and revered remembrance of the man who has given his life in the service of his Country.

RESOLVED further that we join the grief of his stricken widow, also near and dear to the American People that our hearts join with her in her deep sorrow, and our prayers are offered that she may be given the strength and courage to bear well and bravely the burden so suddenly thrust upon her.

BE IT RESOLVED FURTHER that this Resolution be spread upon the records of the City, Published in our Newspapers and a copy forwarded to the bereaved widow.

Passed August 7, 1923
Approved August 8, 1923

AN ORDINANCE

AMENDING CHAPTER 35 SECTION 20 OF THE REVISED ORDINANCES ENTITLED "SALARIES & COMPENSATION."

Approved Sept. 12, 1923.

RESOLUTION

ASKING THE CITY SOLICITOR FOR HIS WRITTEN OPINION UPON THE LEGALITY OF WOMEN BEING COMPELLED TO PAY POLL TAX.

Resolved, By the Board of Aldermen of the City of Nashua:

Whereas, The House of Representatives, May 21, 1919, The Senate, June 4, 1919 passed Resolution submitting full suffrage to women throughout the nation. On August 26, 1920 the requisite number of states having ratified it, Secretary of State Colby proclaimed the amendment adopted.

Whereas, The 19th amendment being adopted and the Assessors levied a poll tax upon women and the Tax Collector threatened to jail women for non-payment of poll taxes.

Whereas, The right to make women pay a poll tax has been questionned.

And be it further Resolved,

That the City Solicitor submit at the regular meeting of the Board of Aldermen Nov. 13th, 1923 a written opinion by him upon the legality of the assessors of Nashua to levy a poll tax upon women and the Tax Collector of Nashua to make women pay a poll tax showing their authority in law.

Passed October 9, 1923.

Returned October 16 not approved nor vetoed. Becomes operative without Mayor's approval.

RESOLUTION

AUTHORIZING THE MAYOR AND JOINT SCHOOL HOUSE COMMITTEE TO MAKE CONTRACTS FOR THE ERECTION OF THE JAMES B. CROWLEY ELEMENTARY SCHOOL.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Mayor and Joint School House Committee be authorized to make the necessary contracts for the construction of the James B. Crowley Elementary School to replace the present Harbor School at a total cost of not to exceed $220,000.00, and that the contract be awarded to Cunningham & Burdwood of Lynn the lowest Bidder.

Passed November 6, 1923.

Approved November 7, 1923.

RESOLUTION

ASKING THE CITY ENGINEER TO MAKE A PLAN EXTENDING NEWBURY STREET TO COPP STREET

Resolved, By the Board of Aldermen of the City of Nashua:

That the City Engineer make a plan showing how Newbury Street could be extended through William Street to Copp Street the easiest and most drect way. That this plan be returned to the Board of Aldermen at its next regular meeting to be held November 27th, 1923.

Passed Nov. 13, 1923.

Approved November 19, 1923.

RESOLUTION

IN RELATION TO THE NEWBURY STREET EXTENSION.

Resolved, By the Board of Aldermen of the City of Nashua:

Whereas the proposition to extend Newbury Street through Williams Street to Copp Street is a much needed public improvement and of vital importance to all the people of Nashua:

Therefore Be it Resolved that the City Engineer be instructed to prepare the necessary description of the proposed extension in accordance with the Plan on File entitled, "Plan and Profile of Newbury Street Extension" and further that he be instructed to prepare all the necessary details in relation thereto in order that said proposed Extension may be considered at the next regular meeting of the Board of Aldermen December 11, 1923.

Passed November 27, 1923.
Approved November 28, 1923.

RESOLUTION

APPROPRIATING THE SUM OF $300.00 FOR THE USE OF THE RECREATION COMMISSION.

Resolved, By the Board of Aldermen of the City of Nashua:

That the sum of $300.00 be and the same is hereby appropriated for the use of the Recreation Commission to be expended under their direction in flooding Commons for skating purposes.

This amount to be taken from any monies in the City Treasury not otherwise appropriated.

Passed November 27, 1923.

Resolved, By the Board of Aldermen of the City of Nashua:

That the sum of $2,300.00 be and the same is hereby appropriated for the use of the Park Commission.

This amount to be taken from any monies in the City Treasury not otherwise appropriated.

Passed December 11, 1923.

Approved December 13, 1923.

RESOLUTION

FOR THE SALE OF LAND ON HAYDEN STREET.

Resolved, By the Board of Aldermen of the City of Nashua:

That the Tax Collector for the City of Nashua be and hereby is empowered to sell to Alfred J. Gelinas for the consideration of costs and taxes due and expended by the City the following described lot — Lot 91 Sheet 116 Hayden St. in said City of Nashua.

Meaning and intending the lot assesed to Heirs of Anita Theriault for the year 1914 and sold by the Tax Collector to the City of Nashua for non-payment of taxes of the above year and later deeded to the City of Nashua on a Tax Collector's deed, September 14, 1917.

Passed December 11, 1923.

Approved December 13, 1923.

REPORT OF THE

BOARD of HEALTH and the HEALTH OFFICER

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of the Board of Health

To His Honor the Mayor and The Board of Aldermen:—

Gentlemen.—

In submitting our report for the year 1923, we wish to call your attention to some of the needs of our Department. We intend to submit for your consideration the Milk Ordinance which gives us local control of our milk supply, for clean, tuberculin tested cattle and to institute a more thorough inspection of farms and dairy plants to maintain this standard.

Our Department needs an automobile to increase and facilitate its work.

We are anxious to inaugurate more intensive work in the elimination of diphtheria, and we will ask your aid to introduce the Schick test among the school children. Our neighboring cities in the state are doing this work and in years past we have asked your Board for assistance in this direction without avail.

During the year 1923 we continued our office work, maintained clinics for venereal diseases and tuberculosis. Carried on our Contagious Disease Department under the direction of the Chairman and Contagious Disease Nurse.

In the Spring of the year in conjunction with the Board of Public Works we carried out the Annual Clean-Up Campaign.

Every year sees an increase in the amount of Garbage to be collected and disposed of, especially during the winter months, which means that we will have to have more adequate means to carry along this department successfully.

During the year we inaugurated the number plate system for individual garbage collectors and turned to the City $24.00 from the sale of same.

The following cases were reported during the year:

Typhoid Fever	1
Scarlet Fever	43
Diphtheria	13
Measles	519
Chicken Pox	5
Whooping Cough	6
Gonorrhea	40
Syphillis	10
Chancre	1
Tuberculosis	12
Infantile Paralysis	1
Mumps	5

During the year we had an epidemic of Mumps, Measles, Whooping Cough and Chicken Pox. Many of these cases were not treated by a physician, consequently not reported. The attitude of a great many people being that they could take care of these diseases themselves and in consequence numerous people are exposed and epidemics ensue. The above figures show only those cases reported to this department.

Respectfully submitted,

NASHUA BOARD OF HEALTH,

P. J. McLaughlin, M. D., Chairman,
Alfred Daudelin, M. D.
Raymond S. Cotton.

ALFRED DAUDELIN, M. D.
RAYMOND S. COTTON

Report of Milk Inspector

Nashua, N. H. March 1, 1924.

Board of Health City of Nashua, N. H.:
Gentlemen:—

I herewith submit the following report for the Milk Inspector for the year 1923, from January 1st, 1923 - 1924.

During the year 1923 I have taken samples from all milk teams and inspected farms where milk is produced, and I find this year conditions more satisfactory, and milk analysis very good. As only part of my time can be utilized in this department and I realize that more frequent farm inspectons should be carried out in order to bring this work to its highest development. I firmly believe if a whole time Milk Inspector could be employed that the results would more than pay for the money invested.

MILK ANALYSIS AND TESTS.

Samples of milk tested for chemical analysis	60
Number of samples found below standard	3
Milk samples sent to Laboratory at Concord	12
Samples of milk brought in by citizens	8
Samples of Mother's Milk analyzed	10
Samples of milk collected for analysis	60
Wagons found with milk uncovered	5
Samples of mllk examined for bacteria	7

DAIRY AND FARM INSPECTIONS.

Total number of farms supplying milk in Nashua	180
Dairies inspected during 1923	44
Milk plants inspected	44

Number of barns where cattle were found dirty	10
Orders given to farmers to improve conditions	10
Farms condemned on account of unsanitary conditions	1

LICENSES

Number of Milk licenses paid for	185
Number of licences issued to stores	157
Number issued to dealers	46
Number of free licenses issued	43
Garbage licenses issued	48

Respecfully submitted,

THOMAS F. CULLEN,

Milk Inspector.

Report of Health Inspector

Nashua, N. H., March 1, 1924.

To the Board of Health, City of Nashua, N. H.:
Gentlemen:—

I herewith submit the following report as Health Inspector of the City of Nashua from January 1st, 1923-1924.

Houses Placarded	424
Houses fumigated	41
Houses inspected	4
Plumbing and drainage inspection	14
Privy vault inspection	12
Yard and Alley inspection	92
Barber shops inspected	42
Restaurants inspected	60
Bakeries and bakery wagons inspected	20
Food stores inspected	168
Candy factories inspected	18
Complaints investigated	50
Dumps inspected and ordered abated	4
Water sent to Concord for analysis	2
Ice sent to Concord for analysis	4
Nuisances ordered abated	24
Common drinking cups ordered abated	3
Lying-in- Hospital inspected	2
Infant Asylum's inspected	3
Boarding Houses inspected	26
Bakeries found unsanitary	4

The City in general shows a marked improvement as to cleanliness of yards and home surroundings. The dumping grounds which was used by the City has been also used

by neighbors and stores throughout the city in throwing their waste matter, this condition was deplorable and was abated.

I find upon inspection that most of the stores handling food have lived up to the Law of the State, but there are a few that continually need attention.

Thanking the members of the Board of Health for their kind co-operation to me during the past year, I am

Respectfully yours,

THOMAS F. CULLEN,

Health Inspector.

Report of
CITY PHYSICIAN

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of City Physician

To His Honor the Mayor and the Board of Aldermen:—

Gentlemen:—

I herewith submit the report of the City Physician for the year 1923.

I made 548 calls divided as follows:

Police Station visits	18
House Calls	208
Office Calls	114
Hospital Visits	208

Respectfully submitted,

DEERING G. SMITH, M. D.

City Physician.

CITY SOLICITOR'S REPORT

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of the City Solicitor

To His Honor, the Mayor and Board of Aldermen of Nashua:—

Gentlemen:—

I submit the following as my report for the year ending December 31, 1923.

I filed my appearance in the Superior Court in behalf of the City of Nashua in the following suits:

Latour vs. Nashua. Injunction. Pending.

Greeley vs. Nashua. Petition. Pending.

E. W. Crowell vs. Nashua. Damages for injury on highway. Pending.

E. R. Crowell vs. Nashua. Damages for injury on highway. Pending.

I filed in the United States Court several proofs of claims in bankrupt estates for taxes.

Several opinions rendered to the Board of Aldermen.

Respectfully submitted,

ROBERT J. DOYLE,

City Solicitor.

REPORT OF THE

PARK COMMISSION

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of Park Commission

To His Honor the Mayor and Board of Aldermen:—

The Park Commission makes it annual report for the year ending December 31, 1923.

The usual care of the general upkeep of the parks and squares has continued as in the past. The Commission hopes to complete the improvements at South Common this coming year. The Board of Public Works have removed all the gravel from the pit that they can with ease accomplish and now filling up the cavity. The granting of the Board of Public Works the privilage of removing hundreds of loads of extra fine gravel has saved the City much money. The Commission is to ask for a special sum of money to transport several hundred loads of the black loam from Artilary pond bed to resurface the new grading so that South Common Play Ground will be a pleasing asset to the South side of the city. The Commission hopes to convince the Recreation Committee that they can render a better service to the youth in the winter time by using their appropriation for skating in developing a larger rink at South Common instead, at North Common where there is already a natural skating place that has proved to be able to take care of all that may care to skate if there was a suitable place in the south part of the city. The Commission has added two more lines of bleachers to those already at the new diamond at South Common and if this is not sufficient more can be added. At North Common the Commission has at last discovered a way to hold the water that comes from the springs at Artilary Pond so that a fine foundation can be had for a large and safe skating place for the children. The work of filling in at Artillery Pond has been continued by the

Board of Public Works dumping clean ashes that they are able to collect on the north side of the river. The Commission would suggest that an appropriation be made where by the Commission would be able to complete a large portion of the proposed Athletic Field at once by transfering the knoll near Sargents Avenue to the proposed Athletic Field. By doing this elimination of the small Ball diamond at the corner of Manchester and Sargents Avenue will be made possible, which now is very dangerously near to the streets for the safety of the children. At the Greeley Park the drive way through the Park has been resurfaced the past summer and with a dressing of tarvia this spring will make it servicable for some years to come. The Commission has added a wading pool 30 x 20 feet to the improvements at the Park which has been enjoyed by the children and appreciated by the Mothers of the children. If funds are available the Commission will install simular one at South Common. The fight to control the gypsy moth continues. Thus far we have been able to keep them in check as far as the trees on the streets are concerned.

Respectfully,

FRANK J. FINNING, Clerk.

On motion of Alderman Barker,
Accepted and ordered printed.

REPORT OF THE
RECREATION COMMISBION

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of Recreation Commission

The Recreation Commission of the City of Nashua respectfully submit a report of their work during the year 1923 and their recommendations for the year 1924.

The services of Mr. R. A. Pendleton were secured in conjunction with the Board of Education and he surrounded himself with a very efficient corps of eleven supervisors, most of whom were trained for the work or had been previously engaged in similar occupation.

It was very clearly demonstrated that good supervision is of more importance than apparatus, altho' it is essential that apparatus be provided.

Instruction was given in basketry and weaving, needle work, doll making, etc., and folk dancing taught where it was possible to do so. Many young ladies enlisted their services without charge for story telling and this feature proved very popular.

Four playgrounds used in 1923 were continued and the demand was such that it was necessary to open another on Crown Hill. An attendant was at Field's Grove during the season. During the year a very generous offer was made by Mr. Eli Labombarde to provide a fund of $5,000.00 to be used in dredging and otherwise improving the facilities of bathing at this point, the Board of Aldermen also authorized the purchase of the necessary land on both sides of Salmon Brook to provide access to the water. It was found, however, that there was a strong probability that the State of Massachusetts would take, as is their privilege, the head waters of Salmon Brook in the towns of Dunstable and Groton for a reservoir to furnish a water supply for Lowell and Lawrence. Action on this matter may not be taken at once, but it is quite sure that within five years the project

will be started and this would seem to make it inadvisable to take any action in the way of making a permanent investment at this particular location. Various suggestions have been made relative to possible locations, but none so far made, seem to offer ideal sites which would be properly located or which could be considered entirely safe. It may be necessary to build a suitable pool for the purpose and as soon as any definite conclusions can be reached, a report on the matter will be submitted to the Board of Aldermen. The average pleasant day attendance at the playgrounds and swimming pool was from 1600 to 2000.

This winter a skating rink has been inaugrated at the North Common under the supervision of Mr. McBride and two helpers and it has proven very popular with residents of all ages and all classes. The very general approval of this rink would indicate the desirability of further efforts in the future to develop our community life more generally during the winter months.

We recommend that one or two more playgrounds be opened this summer, one at some point in the High Rock section and another on the North Common or in that vicinity.

A petttion has been presented for a skating rink on the South Common and this can be provided at a cost of about $1,000.00 for the first year. This covers the installation of lights, water pipe, hose, scrapers and two men for ten or twelve weeks to scrape the snow, spray the ice and other work incidental to its maintenance.

Our appropriation for 1923 was $3,300.00 and we feel that to give additional services demanded, that is new playgrounds, more supervisors, increased skating facilities and possibly some start made toward community winter sports that we should have $5,000.00 for the current year.

Respectfully submitted,

O. M. FLATHER.

REPORT OF THE
POLICE COMMISBIONERS

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of Police Commissioners

Nashua, N. H., January 30, 1924.

To His Honor the Mayor and Board of Aldermen.

Gentlemen:—

Enclosed find a detail report of the Police Department for the year 1923.

The increased traffic over our streets makes an additional expense of no small amount and will increase the burden of this department the coming year, as it will be necessary to have more officers on duty during the season of heavy travel, to protect children and elderly people, when crossing the streets.

The department has purchased a new patrol car this year, which can be used as an ambulence when an extra one is needed. There has also been installed electric lights in the court room, which has added much to the convenience of the court.

The special appropriation of $1,500.00 which was allowed this department for constructing under ground ducts which were to be used jointly with the Fire Department, has not been used, as repairs were not made on the streets where these ducts were to be placed and the amount was returned to the city treasurer, but it is the wish of this department that the same amount may be allowed them the coming years that the ducts may be installed as it would add efficiency to the Gamewell System.

We also present with this report the report of the Chief of Police as made to this department.

Respectfully submitted,

FRANK P. RIDEOUT,
HORACE E. OSGOOD.
Police Commissioners.

Property recovered not reported by other cities ...2,000.00
During the year four automobiles were reported stolen from the streets of this city, three being recovered and returned to owners.

Respectfully submitted,

IRVING F. GOODWIN,

Chief of Police.

REPORT OF THE BOARD OF PUBLIC WORKS

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

Report of the Board of Public Works

Nashua, N. H. March 1, 1924.

To the Honorable Board of Aldermen:—

Gentlemen:

The report of the Board of Public Works for the year 1923.

The appropriation for the Board of Public Works were as follows:

Regular	$145,000.00
Paving Bonds	65,000.00
Sewer	60,000.00

The following streets were paved and paid for out of the paving bonds.

High St., School St., Washington St., Clay St., and Harrison St., totalling 5855 Sq. Yds were paved with cement concrete.

Orange Street, Cement Base with Hot Mixed Asphalt Top, 621 Sq. Yds. Paving, and 101 Sq. Yds Cement Gutters.

From this fund, 10,053 Lin. Ft. of Cement shoulders on Lowell Road, and 6359 Lin. Ft. on the Concord Road, were built, half of the cost of which was paid by the State.

Because of the late spring, and scarcity of labor, no more work was started.

There is a balance in the Treasury of $40,900.43.

SIDEWALKS

There were 1621.26 Lin. Ft. of steps and curb constructed on the half-payment plan, for which the abutters paid $1.25 per square yard.

There were 2256.15 Sq. Yds of cement sidewalks constructed for which the abutters paid full price, or $2.50 per Sq. Yd.

There were 1621.26 Lin. Ft.of step s and curb constructed for which the abutters paid $1.00 per lin. ft.

SEWERS

List of Sewers constructed during 1923.

West Pearl Street	50 Feet	18 in. Pipe
King Street	375 Feet	12 in. Pipe
High Street	395 Feet	12 in. Pipe
High Street	173 Feet	10 in. Pipe
Elliot Street	236 Feet	10 in. Pipe
Webster St.	238 Feet	12 in. Pipe
Webster St.	273 Feet	10 in. Pipe
Dinsmore St.	576 Feet	10 in. Pipe
Cushing Ave.	274 Feet	12 in. Pipe
Bowers St.	94 Feet	8 in. Pipe
Morrill St.	149 Feet	10 in Pipe
Manchester St.	193 Feet	10 in. Pipe
Harrison St.	60 Feet	8 in. Pipe
Clay Street	46 Feet	8 in. Pipe
Montgomery Ave.	263 Feet	10 in. Pipe
Mellons Court	165 Feet	10 in. Pipe
Dickerman St.	198 Feet	10 in. Pipe
Revere St.	48 Feet	8 in. Pipe
Taylor St.	519 Feet	12 in. Pipe
Pine Street	300 Feet	10 in. Pipe
Verona St.	300 Feet	10 in. Pipe
Saratoga Ave.	240 Feet	10 in. Pipe
East Pearl St.	692 Feet	24 in. Cement Pipe
East Pearl St.	147 Feet	18 in. Pipe
White Ave.	155 Feet	10 in. Pipe
School St.	57 Feet	10 in. Pipe

The 42 in. sewer in Crown Street constructed for the relief of East Hollis Street, was begun in November, but not enough completed to list in the 1923 report. The pipe for this job, also the pipe for the relief of the section west of Main Street, and South of the River, was purchased out of the 1923 bonds. The construction of this last project will be begun later. Out of an appropriation of $60,000.00 there is a balance of $16,923.97.

Following are a ist of the expenditures of the regular appropriation;

HIGHWAY DEPARTMENT

Bridges and Culverts	$3.60
Catch Basins Maintenance	4,711.75
General Repairs and Maintenance	19,053.07

Board of Public Works

REPORT

OF THE

BOARD OF EDUCATION

OF THE CITY OF

NASHUA, N. H.

1923

Board of Education

City of Nashua

Clerk's Office, Jan. 25, 1924.

At a regular meeting of the Board of Education held January 25, 1924 the reports of the Superintendent of Schools, Assistant Superintendent, Principal of the High School, Principal of the Junior High School, Directors of Music, Manual Training, Drawing, Domestic Science, and the School Nurses, were accepted. It was voted to print three hundred copies of the same.

ALBERT J. McKEAN,

Clerk.

Board of Education

Organization for 1924

ALVIN J. LUCIER, President

ALBERT J. McKEAN, Clerk

MEMBERS

Arthur L. Wallace, 19 Manchester St.	Masonic Temple

ASSISTANT SUPERINTENDENT

Thomas W. Sheehan, 41 Pearl St. Municipal Bldg.

CLERK

Marcella St. Onge, 97 Chestnut St. Municipal Bldg.

Office hours: Every school day, 8.30 to 12. A. M. and 1.30 to 5.00 P. M. Saturdays during school terms, 9.00 to 12.00 M. Tuesdays in all vacations from 2.00 to 4.15 P. M.

ATTENDANCE OFFICER

James F. Mulvanity, 113 Blossom St. Municipal Bldg.

Office hours: 8.45 to 9.15 A. M. and 1.45 to 2.15 P. M.

Report of the Superintendent

To the Board of Education,

Nashua, N. H.

In accordance with the rules I submit the annual report of the schools for the year 1923.

The school census showed 4024 children in the public schools on September 30, 1923, an increase of 305 over last year. The number in the private schools on the same date was 2613, an increase of 129 over the previous year. That is an increase of 434 children in one year in the schools. The census was taken this year by substitute letter carriers who made a thorough house-to-house canvas.

The Assistant Superintendent, Mr. Eugene Tuttle, resigned to become a professor in the Rhode Island College of Education the first of February 1923. His successor, Mr. Thomas W. Sheehan did not begin his work in Nashua till October 1, 1923. His report for the limited time that he has been here accompanies this report. His preparation includes graduation from the Salem Normal School and the University of Chicago. He also holds advanced degrees from both Columbia and Harvard University. Besides, he has had thirteen years of experience in the schools of Marlborough, Revere, Salem and Boston. He is getting acquainted with all the public schools of the city, paying particular attention to the elementary grades and to the evening school.

Mr. Raymond A. Pendleton began his service in Nashua last July by taking charge of the playgrounds and later when the schools opened he devoted his time to teaching

mathematics in the High School and to coaching the athletic teams. He is the first regular teacher-coach that Nashua has employed and the outcome of this innovation has been pleasing to all concerned including school officials, pupils, and the public.

At the close of the fall term the Junior High School again lost it's principal. Mr. James S. Thistle resigned to take charge of a large new school in Somerville, Mass. where he had formerly taught. This change in the principalship is the fifth that the school has experienced in about five years. Mr. Earle T. Tracey from Burlington, Vt. has been selected to take charge of the school. Other changes among the regular teachers during the year include:
Merle E. Maynard resigned to teach in Springfield, Mass.
Avaline Folsom resigned to teach in Ansonia, Conn.
C. W. Lawrence resigned to enter business.
Sarah Collins resigned and was pensioned by the city.
Alice Fissette resigned and teaches elsewhere.
Marcia Wigate resigned to be married.
Grace M. Healey resigned to be married.
Theresa Haley is attending college this year.
Elsie A. Moulton, principal of the Mount Pleasant school, died suddenly April 13, 1923, having served the people of Nashua faithfully for thirty-four years in the public schools.

The women assistants in the High School with several years of experience were granted an icrease of $200.00 at the beginning of this school year. This appears to have checked the exodus of experienced High School teachers but our salaries are still much lower than those of cities near us. If the dollar ever returns to its earlier purchasing power, the need of constantly raising salaries wil be lessened. Petitions are now before the Board for raising the salaries of teachers and janitors.

A new kitchen and lunch room was built this summer in the north east corner of the large basement room of the Junior High school. It is similar in arrangment and equip-

ment to the quarters in the High School and is proving to be a most welcome improvement upon the kitchen formerly used. It is well lighted, well ventilated and unlike the old kitchen, is entirely closed in with glass partitions. This last term the Junior High lunch room has been self supporting and it is at present as satisfactory as the one at the High School, a statement which is high praise. The work of Miss Pillsbury and Miss Healey in these lunch rooms has been very successful.

Additions in the form of lockers and shower baths have been placed in the High School building.

The Medical inspection room at the High School has been equipped with apparatus for testing the eyes of school children.

What is sometimes called the "The New High School" is already full. It was planned for 750 pupils and has enrolled 768 this year.

About thirty primary children are still using a corridor at the Palm St. building as their only class room. There has been a large amount of discussion about doubling the capacity of the school building on Palm St. and plans have been prepared to accomplish this purpose but the expense of the project caused its postponement. The children now using the Palm St. building come from homes extending from Main St. west for a mile or more. I believe that a new building located west of Palm St. would be more serviceable than to build on to the Palm St. school an addition that would use up nearly all the playground of the present school. In this locality pupils above the third grade are now required to walk from points more than a mile distant to the Quincy St. school. A new school house would make it possible to care for some of these pupils nearer their homes.

Elementary buildings should accommodate kindergartens and the first six grades, junior high buildings should accommodate grades seven, eight, and perhaps nine and the

senior high building the last three or four grades.

After a thorough examination of the Mount Pleasant school building the State Board of Health report that it "is deemed unfit for permanent use and should be abandoned not later than the end of the current school year. It should not be continued in use even temporarily without improving the conditions affecting the health and safety of the children attending the school." Certain specific changes were demanded concerning the exits and toilets, which changes have been made.

More modern toilet arrangements should be provided in some of the other school buildings at the earliest possible time. The Belvidere, Arlington, and Lake St. buildings are not connected with the sewer system:.

The playgrounds about the buildings at Belvidere Quincy St. and Temple St. are entirely inadequate.

A new kindergarten was opened in September in the building at the junction of Amherst St. and Broad St. The rooms have been put in good condition and a hot water system installed. The enrollment has been thirty-one.

The urgent demand for an enclosed field for athletic games is well known and action should be taken to provide suitable accommodations without further delay.

The Harbor School building was erected in 1874. It was vacated by the pupils November 16, 1923. The building was torn down as rapidly as possible after that date.

The classes of grades 1, 3, 4, and 5 which left the Harbor school building are now housed in the Mulberry St. school with a single session which extends from 8.00 A. M. to 12. 15 P. M. The four regular classes of the Mulberry St. school are having one session on a day from 12.45 to 5.00 P. M. The second grade class from the Harbor school is being accommodated in the smaller room at the Kinsley St. Kindergarten with the usual two session day, and the Kindergarten children for the present are all in the larger room.

The building on Mulberry St. has been wired and equipped with electrical lighting in order to accommodate the classes which now are using the building when artificial lighting is needed.

When the short days are passed, the Mulberry St. school will probably have its session during the early part of the day. The morning is now being used for the Harbor school so that the young children do not have a long walk after dark.

The James B. Crowley school building is being erected to replace the Harbor building.

Respectfully submitted,

CHARLES H. NOYES.

Report of the Assistant Superintendent

Mr. Charles H. Noyes,
Superintendent of Schools,
Nashua, N. H.

Dear Sir:

At your request I herewith respectfully submit to you a report of the work of the office of Assistant Superintendent of Schools from October 1, 1923 to January 1, 1924. This report of work done in such a short period will not be exhaustive. I believe that, in a city as large as ours, it requires a year of contact to become thoroughly acqainted with the situation. During the month of October, I was acquainting myself with the teachers, the location of school buildings, the classes of children, and certain phases of the office work. I am still engaged in the process of learning more about these and making quite an intensive study of the city, its social composition, its industries, its finances, its government, and the various educational agencies outside the public schools. My first task is to know the city so that I can judge whether the schools are meeting the demands of a large industrial city like ours.

However, there are certain phases of school and class room management that should be found in all school systems. I started, therefore, in November to hold meetings of teachers and principals for the purpose of presenting my views on certain fundamental educational problems and of indicating some methods for improvement.The subjects discussed at these meetings were determined by my observations of class room work. Since October I have made four hundred ninety visits to class rooms and have held nine

meetings. These are held at a quarter after four and the teachers and principals have manifested an attitude of interest and cooperation which has been most gratifying.

A school administrator must be able to make adverse as well as favorable criticisms, for it is by noting defects and then by remedying them, that progress is assured. One outstanding weakness in our educational system is the absence of a properly systematized and supervised physical education program. Much is done by doctors and nurses in detecting physical defects, in dealing with ill-nourished children, in encouraging the mid-morning lunch, and in the promotion of health by talks and literature, but no adequate provision is made for a system of physical education. True, a few minutes each day are given by many teachers to physical exercise, but much of this is done in a rather perfunctory way. Then, too, it must be noted that all the children are performing the same drill. Children are different and the exercises adapted to promote the well-being of one child may not be beneficial to another. Some pupils have minor defects of posture, carriage of head and shoulders, or carriage of the body in general. These should be given special corrective exercises. Postural examinations of all classes should be conducted and exercise should be given according to the needs of individuals. In this program the school physicians and nurses could cooperate with the physical education director. In this manner, only, will the work become preventive as well as curative. It is by properly systematized work under a director of physical education that attention to remedial measures, taken in season and consistently followed, will produce strong and healthy children passing on to the high schools and the business life of the community.

Under such a program there must be proper recognition of the educational value of plays and games. Some who have never lived with large numbers of young people may

think that it is unnecessary to teach children to play. It has been said that one may as well try to teach lambs to gambol as to teach children to play. The falsity in this statement is readily evident if one will observe any school yard with children at play. There is always the "fringe", i. e., a considerable number of children who stand near the building and fence not knowing *how* to play. Then, too, at certain period's of a child's development certain games and exercises are appropriate. Pupils of the lower grades cannot perform the more strenuous exercises that should be carried on in the upper grades. Exercises in physical education must be graded just as arithmetic and geography lessons are graded. Leadership is necessary. Building character through such leadership is one of the most valuable results of a systematic course in physical education. That opportunity is presented for engendering habits which will promote character, discipline, desirable moral reactions by the very content of the physical training activities, must be apparent to any thinking person. None can deny the value of such a program in aiding the development of organic power, vitality, and vigor, which are the sources of health.

Another noticeable weakness in our school system is the lack of adequate provisions for the care of overage children. The school visitor will observe in many classes children whose ages are several years in advance of the normal ages for these classes. This situation is due to the fact that we receive into our schools many children coming directly from foreign countries. Very often such children are too old to mingle with primary school children. Nor is it desirable that they should do so. We have three special classes in the Temple Street building. However, present conditions necessitate the establishment of more of these classes. Justice to the retarded children demands this.

Our evening school this year is housed in the Temple Street and Quincy Street buildings. Classes in machine-shop work, auto-mechanics with special groups studying auto-ignition, and household arts are held in the Quincy Street school. It has been found by experience that large classes, in which teachers cannot give sufficient attention to every individual, rapidly reduce in numbers. Unless the new Americans receive much attention, they very soon absent themselves from school. To prevent this, we assigned to each teacher a group of approximately twenty-five pupils. Thus, the teachers have been able to interest the pupils so that the resulting attendance and accomplishments have been praisworthy. The accompanying tables show a high degree of attendance.

EVENING SCHOOL REPORT OF ATTENDANCE TO NOV. 8, 1923.

Number of pupils enrolled	529
Number of boys	321
Number of girls	208
Membership	524
Average Membership	486
Average Evening Attendance	443
Average Evening absence	43
Per Cent of Attendance	91.1
Number of cases of tardiness	1
Number of dismissals	3
Number of sessions	12

EVENING SCHOOL REPORT OF ATTENDANCE TO MARCH 20, 1924.

Number of pupils enrolled	630
Number of boys	359
Number of girls	271
Membership	440

Average Membership	486
Average Evening attendance	424
Average Evening absence	62
Per Cent of Attendance	81.1
Number of cases of tardiness	64
Number of dismissals	15
Number of sessions	60

We are, this year, faced with the problem of teaching English to three hundred illiterate minors between the ages of sixteen and twenty-one years. Their attendance is required by law. To many in this group the attractions by the moving pictures and by the cheap dances are very often more powerful than the desire to learn the English language. Hence, the need of the most rigid follow-up work to compel attendance. The efficient and hearty cooperation of our attendance officer, who has given most generously of his time during the day and late in the evening to the end that these minors attend school, is here recognized and highly commended.

My judgment is that we are not reaching as many of the adult illiterate as we should. Some means must be evolved for gaining the interest and attendance of these residents. More of these should be enrolled in citizenship classes. In addition we have many of the native-born whose knowledge of English, although meagre, is yet sufficient to qualify them as voters. They reach the legal status of citizens with an inadequate realization of the duties to be borne and the rights to be enjoyed. In a democracy like ours, the increasing number of questions on the ballot upon which voters are expected to give sound judgment, makes the continued education of these youths imperative. An appeal must be made for their attendance in evening school. In brief, the Evening School must not be regarded merely as an institution for teaching the so-called "foreigners". The evening school

must be American in the real sense and encourage instruction in citizenship for the native born as well.

In conclusion I wish to state my appreciation of the loyal support and helpful cooperation which I have received from you and the other school officials.

Respectfully,

THOMAS W. SHEEHAN,

Assistant Supt.

Report of Principal of the High School

Mr. Charles H. Noyes,
Superintendent of Schools,
Nashua, N. H.

Dear Sir:

I herewith submit the annual report for the Senior High School for the year 1923.

The total enrollment at the present writing is 768. An increase of 32.

At the end of the school year in June the following number of pupils were promoted:

Seniors 95, Juniors 197, Sophomores 171, Freshmen 200; Non-promoted:

Seniors 2, Juniors 9, Sophomores 21, Freshmen 13. Entered September 1923

Seniors 130, Juniors 165, Sophomores 225, Freshmen 234

The school is continuing to get a large per cent of its pupils from the Junior High School although 113 entered from other schools. Of the graduates from the Junior High 82 per cent entered the Senior High; the two previous years 83 per cent and 89 per cent respectively entered. The available data for 386 American cities gives an average of 71.4 per cent entering high schools from the grades.

The pupils entering in September came from the following schools:

Junior High	149	Sacred Heart College	7
Sacred Heart	38	Pelham Schools	7
Hudson Schools	19	Thornton Hall	5
St. Francis Xavier	9	Infant Jesus	1
St. Aloysius	8	Other Schools	19

The division of the school into its three more or less broad curricula is shown:

Academic		56%
Latin	18.6	
Latin-Scientific	15.6	
General	21.8	
Commercial		30.5%
Practical Arts Course		13.4%

The number of pupil periods per week, which shows the proportion of school time spent on each of the subjects may be seen from the following table:

English	3760	Mathmetics	1835
Foreign Languages	3090	Domestic Arts	1307
Commercial Subj.	2403	Manual Arts	1188
Social Subjects	2230	Science	1127

The number of pupils who passed or failed in the various subjects for the year ending June 1923, is shown in the

Subject	Passed	Failed	% Failed

I am glad to report that a step in the right direction has been taken in the matter of the management and instruction of the various branches of athletics. Until this year there has been no fixed policy of coaching and the person in charge was responsible to no one. The result of four months with a teacher coach in charge has justified any hopes for success that we may have had. It is sometimes a problem to instill into the minds of high school athletes that a victory is only a victory when rightly earned. This has been accomplished this fall, with the result that the football season was decidedly successful.

The city treasurer's report shows that there is an annually increasing amount of unexpended surplus derived

from the interest of the Noyes Prize Medal Fund. This money I am informed can be used for the purchase of books for the High school library. Inasmuch as it has been many years since any number of books have been added to the library and since the school is about twice as large as formerly, it seems logical to me that this money be expended for library books.

During the last school year ninety-seven pupils left school and fifty-eight more did not return in September. Failure to do passable school work was undoubtedly the cause of some of the withdrawals, but a much greater number left because of employment.

75 Employed	1 Shortsightedness of parent
30 Moved out of city	12 Sickness
22 Lost interest	7 Outclassed
1 Died	4 Undesirable
	3 Change in family conditions

Many parents send their children to the high school with the fixed purpose of giving them one or two years of secondary education, but that group of students is smaller than in former years. The number of the present senior class is 77 per cent of its original number; that of New Hampshire for the graduates of last June was 52.6 per cent.

I wish to thank you, Mr. Superintendent and the board of Education, for the interest and co-operation during the year.

Respectfully submitted,

WALTER S. NESMITH,

Headmaster.

January 24, 1924.

Report of Principal of Junior High School

December 29, 1923.

Mr. Charles H. Noyes,
Superintendent of Schools,
Nashua, New Hampshire.

Dear Sir:

The following is the annual report of the Junior High School for 1923:

THE PROGRAM OF STUDIES

One of the outstanding accomplishments in the Junior High School this year has been the modification of the program of studies. This has brought about two features which were recommended in my report of last year:

1. A more even distribution of time allotments and a more selective arrangement of subjects by courses, which resulted in making the program, in some measure, less crowded.
2. The lengthening of the class recitation period.

Commercial Arithmetic has been added to the course in Bookeeping. Better articulation of Senior High and Junior High Bookeeping has been effected.

Typewriting with Business English has been offered for the first time to pupils of Year I.

The course in Shorthand has been offered only to a select group of pupils,—those proficient in their studies, especially in English. The scope of the Junior High School in its offering of subjects should not be narrowing but broadening, that there may be a variety of subjects from which all pupils may make selections according to their interests, aptitudes, and abilities.

For this reason the existence of the course in Shorthand with its elective restrictions is wholly justified.

Chorus Music as advocated for Junior High use, has been healized.

Algebra was taken from the Commercial Course that more time might be given to subjects of a commercial nature.

The work in General Science has been strengthened by use of the Laboratory for the performing of experiments. There has been installed apparatus for experiment work which should make the subject matter more meaningful to the pupils.

Because of these changes it was possible to secure a longer class period than had formerly existed.

The class period of 30 minutes has been lengthened to about 42 minutes net. This gives opportunity for some study under the supervision of the teacher; and provides a longer time for the presentation of new material.

I wish at this point to express my appreciation to the Superintendent of Schools for his cordial interest and active support in bringing about these much needed changes.

Because of increased registration of pupils in September and because of greater variety of electives it became necessary to organize an additional section of pupils in Year II. This necessitated the services of another teacher. Miss Martha Shaber was added to the Junior High School teaching staff shortly after the opening of school.

ACTIVITIES

1. Athletics.

The Junior High Basketball and Baseball teams were active in season. Jerseys and letters were provided the boys who played basketball and uniforms were given to baseball players

Mr. Thomas J. Hargrove rendered valuable assistance as coach of basketball and baseball. Mr. Hargrove received no renumeration; but perfomed a distant service to the school and to the boys who participated in these sports. Athletics should be increasingly promoted in the Junior High School as it not only makes for good school spirit and valuable training for the boys; but would enrich athletic material for Senior High School use. Appreciation is hereby extended to Mr. J. C. Mandelson and Judge Frank B. Clancy, members of the Board of Education, for their practical interest in the promotion of athletics in the Junior High School.

2. The School Paper.

"The Broadcaster" did much throughout the year to inform the entire student body with regard to school matters; in influence them to write; to arouse spirit; and to stimulate a greater pride in their school. The year ended with a substantial sum to the financial credit of the "Broadcaster."

Through the system of exchanges with other schools the Nashua Junior High School was brought into close touch with the doings of other schools. The paper received valuable comments in the columns of other school papers. Much credit is due to the faculty advisory board for guiding the destiny of the school paper.

3. The Operetta.

"The Captain of Plymouth", an operetta, was produced on two successive occasions in our school hall in the early part of June. The public and press were most generous in their praise of the talent and versatile ability of the Junior High School pupils. The teachers who had charge of this particular production displayed unusual powers of guidance and direction in matters of costuming, music, speaking, and acting. It was a big undertaking; but the school rose to the occasion in a big way. The powers of boys and girls for the accomplishment of big things are not to be underestimated.

4. The Assemblies.

We list the Wednesday morning assembly as an activity for the reason that the pupils so largely participate in the program. Throughout the year different pupils conducted the exercises including the devotionals. A number of business and professional men spoke to the pupils on helpful and inspiring subjects. Nothing brings a school into closer unity than frequent assemblies together for instructive and entertaining programs. The preparation of assembly programs is delegated to committees of teachers. A different committee is appointed for each trem.

5. The School Library.

Here pupils come to consult reference books and those whose school work permits may use the magazine or library books. The Nashaway Woman's Club has presented the school with a number of subscriptions to some of the best periodicals for the use of the pupils. Doctor and Mrs. A. L. Wallace presented the school with "Nelson's Encyclopedia", a splendid loose leaf edition. There have been other donors of miscellaneous books. To all these persons the pupils and teachers of the school express their hearty thanks.

6. Physical Exercises.

For twelve minutes each day physical drill is given under the leadership of pupils. In May an exhibition of these exercises took place in the school hall. The exhibition was in the nature of a competition in which the three best groups of girls and the three best groups of boys competed. Two satin banners with inscriptions in gold were awarded to the winning boys' group and the winning girls' group. The judges of the competition were Superintendent of Schools, Mr. Charles H. Noyes; Doctor A. L. Wallace, a member of

the Board of Education; Mr. James Mulvanity, the attendance officer; Mr. C. W. Holmes, Physical Director of the Y. M. C. A.; and Miss Irene Redmond, Physical Director of the Y. W. C. A.

7. Clubs.

The Radio Club made a very fine set and met on various evenings to listen in and otherwise enjoy the club programs.

The Science Club proved to be of great practical profit to a large number of pupils who enjoyed membership.

The Latin and English Clubs were active in promoting programs in line with the work of these subjects.

8. The Parent-Teacher Association.

This Association has meant much to the life and spirit of the Junior High School. Parents have been most loyal and helpful in the matter of preparation and participation. in the work incident to the meetings. They have also been most appreciative of the services of the teachers. Because of the existence of this active organization a large number of parents have ben brought into closer contact with the school, who previously were not afforded opportunities to become interested. The Association is planning big things. A production of an entertaining nature, to be given in the City Auditorium, is in the process of preparaton. The proceeds of this enterprise are to go to the Junior High School.

ATTENDANCE

This school obtained a percentage of attendance for the year of 95. This exceeded the average record among Junior High Schools and Senior High Schools of the state,—the

average being 93.7%. The work of the attendance officer, Mr. James Mulvanity has been of great help in promoting good attendance.

TARDINESS.

The average number of instances of tardiness in the Junior and Senior Schools of the state was .9 per pupil. Nashua Junior High School had as low as .3. According to the statistical report of the State Board of Education for last year this school appears to have reached high standing in tardiness for the first time.

CONCLUSION.

Although this report has been written since concluding my services in the school system of Nashua, may I state that the past year has been one of the happiest and most profitable years of my teaching life. Our aim has been to make school life for teachers and pupils happy and profitable. We have realized this aim, in a large measure, because of the loyalty, cooperation, and fine spirit manifested by those whose high purposes and lofty ideals have made life a little richer and a little more worth while for boys and girls.

Respectfully submitted,

JAMES S. THISTLE.

Report of Director of Music

Nashua, N. H., January 1, 1924.

To Mr. Charles H. Noyes, Superintendent of Schools

Dear Sir:

May this the twenty-seventh annual report of the department of music under the present Director of Music begin with a quotation from the great naturalist and philosopher: "If I had to live my life again, I would have made it a rule to read some poetry and listen to some music at least once every week; for perhaps the part of my brain now atrophied would then have been kept active through use. The loss of these tastes is a loss of happiness, and may possibly be injurious to the intelect, and more probably to the moral character, by enfeebling the emotional part of our nature."—Darwin.

It has been the purpose of the department of music in our public schools so to carry on the work that the loss felt from the lack of music in the life of the great philosopher quoted above may never be experienced by our growing generations. It is the object of this department so to conduct the study of music that the young people shall not only enjoy it, but that it may make them better and kinder, more susceptible to all that is good and beautiful, and thus bring into their lives more happiness and sunshine.

What was accomplished in the past year stands high in the record of our schools. Beginning with the High School work, it was indeed a fruitful year. The Choral class of

360 voices took part in Nashua's twenty-third annual music festival, May 17 and 18, giving the opening concert of the three, with the assistance of the Boston Festival Orchestra, and these professional soloists, Mr. Charles Stratton of New York, tenor, Miss Vesta Thyden, soprano, and Mr. Walter Kidder of Boston, baritone. Two short choral works were produced, Coleridge-Taylor's "The Wedding Feast of Hiawatha," and Charles Gounod's "Gallia," with the assistance of the soloists and orchestra. These works had been studied during the year, and the performance brought credit to the school. Between the two choral performances the soloists sang groups of songs, and the orchestra played two classic numbers, the whole making an exceedingly attractive program. As usual there was a financial loss, on account of the large expenses for these soloists and the orchestra, which the Nashua Oratorio Society, the sponsors of the festivals made up.

At the twenty-fourth annual music festival, to be given May 15 and 16, 1924, the High School Chorus, selected from the three upper classes of the school, and limited to 200 voices this year, will give a Fantasia from Wagner's opera "Lohengrin", and other operatic numbers, with the assistance of the Boston Festival Orchestra and professional soloists, for the opening concert of the three.

An orchestra of twenty pieces practiced some standard and some popular numbers during the last season, and played some of these in public, namely at the High School play, and at the concert for the Athletic fund, and at assembly.

At the Junior High School the students assemble once a week for the study of the best folksongs of the world, and also some of the standard American, French, English, Italian, Irish and Scotch songs. Some of these were sung at graduation last June, and an orchestra of fifteen pieces played.

In the grades below the Junior High School the best materials are used, namely the Music Education books, and the First Reader of the New Educational Music Course. With all these grades the work is carried on with enthusiam, and the children enjoy their music work and the singing of songs.

To you, Mr. Noyes, to the Board of Education, and the committee on music, the Director of Music is grateful for kind co-operation and help.

Sincerely yours,

EUSEBIUS G. HOOD,

Director of Music.

Report of Director of Manual Arts

Mr. Charles H. Noyes,

Supt. of Schools,

Nashua, N. H.

Dear Sir:

I submit to you the annual report of the Manual Arts Department for the year 1923.

The enrollment in this department has continually increased for the past fifteen years. At present we are handling about 700 students per week, 100 more than last year and I anticipate larger classes this fall.

Under our present crowded conditions a serious problem confronts us, namely, to handle adequately next year's classes.

In order to accommodate our present freshmen and sophomore classes, the freshmen in cabinet-making built 14 wood working benches, giving us 30 benches in our High School shops. These benches were quoted at $54.00 a piece f. o. b. Nashua. They cost $26.00 to build thus saving nearly $400.00, it was not only a saving to the city but making them was of great educational value to the students.

The above classes are handled by two instructors, which is a poor arrangement and for this reason the best results are not obtained either in workmanship or discipline.

To relieve this situation I recommend that our present grade shop in the Quincy St. School be changed over into a

High School shop, to accommodate the freshmen and sophomore classes. This change would no doubt aid in arranging the High School shop program but would necessitate another room for the grade shop.

Next year's senior class will probably average 20 students which is double any former class. Machine shop work is taught in this year and only one machine has been added in the past eight years. Since our present equipment will handle only 8 students it is easy to see the crowded conditions that we will be forced to work under this coming school year. The only remedy for this situation is to purchase new equipment.

Last June we held an exhibition of the work done in this department. It was well attended and many favorable comments were made. Mr. Pierce, State deputy of vocational education, requested that the manual training teachers throughout the state attend our exhibiion which he thought was exceptionally good. Among those who attended was Mr. Hartwell ,Director of Manual Arts in Concord, N. H. He said, he wanted every one of his teachers to visit the exhibition as it was the finest exhibit of school work that he had ever been privileged to visit. It was through the cooperation and hard work of the instructors in this department that we were able to display such a large variety of work, well executed in workmanship and design.

This year, as in the past, the department has done a large amount of outside work. Some of the larger jobs that we have been caled upon to do, were the staging for the senior play, the Teacher's Club play, and building 8 maple tops; size 6'x2'x1 3-4 in. for the cooking laboratory at Quincy St. School. There were also rebuilt 35 folding chairs for the High School. These with numerous small jobs would total 1800 hours labor.

EVENING SCHOOL

After a lapse of one year, the evening school opened with a large enrollment. Courses in cabinet making, machine-shop work, mechanical drawing, automobile and electrical work were offered. The men are interested and work hard to acquire further knowledge in their chosen field.

I consider evening school work a very important phase of our vocational education. It gives the working man an opportunity to familiarize himself with the various phases of his trade.

The evening school is the only place where he can apply theory and practical work. I would like to see more work done along this line and the only way it can be accomplished is through better equipment; which would serve day and evening school alike.

An extract from a Vocational Educational Magazine shows that the Industrial world is looking to the schools for the training of the mechanic as it has never done in the past. The extract follows.—"The Labor situation today is such that the manufacturers and labor unions in the larger cities have agreed that the fundamental principals of the various trades should be taught in the schools."

I thank you, Mr. Superintendent and members of the Board of Education for your support and cooperation.

Respectfully submitted,

JOHN GODDARD,

Director.

Report of Director of Domestic Science

Mr. Charles H. Noyes,

Superintendent of Schools,

Nashua, N. H.

Dear Sir:

During the past year the work in the Household Arts department has been conducted as usual, with a constant effort to improve the details of our organization. Each year the projects vary somewhat to give fresh interest to the classes. As extra work this year the girls in the Freshman sewing classes have provided an entire outfit of winter clothing for a needy little girl. Having several donations of worn clothing and a contribution of ten dollars they applied all their theories and acquired skill to the problem; they planned, cleaned, pressed, made over, and searched the stores for the best they could afford. It was an excellent lesson. Every Wednesday the Sophomore cooking classes have served a dinner to a group of teachers numbering from twelve to twenty. Each teacher pays fifty cents to cover the cost. The dinner is the basis for the week's work in balanced meals, buying, cooking, and sewing. The menus are sufficiently varied to include all the subjects in the course of study with the cost always in mind. During the spring term the girls are allowed to take the entire responsibility for these dinners dividing the work among themselves and carrying it through without assistance from the teacher. The course of Physiology and Home Nursing in the Junior year is now discussed from the standpoint of the health of the individual girls. We are grateful for the

courtesy and attention of the authorities of both the Memorial and St. Joseph's Hospitals. The class visits to these institutions have been helpful and instructive. In the Senior work of House Planning and Home Organization several of the model house plans of the past year were found so practical that they have been used in building new homes. We feel that the success of our High School course is shown by the gradually increasing numbers who are electing this work. This year there are twenty-three Seniors, fifty Juniors, sixty Sophomores and sixty-three Freshmen.

At the Industrial Exhibit held in City Hall last May two prizes were offered for the best work in sewing in this department. Competent judges selected the Junior High graduation dresses of Marion Tessier and Dora Cote as the best representative work. Through the courtesy of Mr. H. A. Sevigne of the National Bread Wrapping Machine Company a booth was furnished at the exhibit to display these prize dresses. In order to exhibit the work of the cooking classes economically a food sale was held at City Hall on June first. The display of food was attractive and creditable, due to a sincere effort on the part of both teachers and pupils. However it was so poorly attended all felt the attempt worthless as a public exhibit.

During the past summer a new lunch room was built in the basement of the Junior High School. It has all the required improvements such as windows that enclose it from the basement except at lunch time rails to keep the pupils in line good light ventilation and simple convenient equipment for cooking. The patronage of pupils and teachers at recess indicate that it is appreciated, and its financial success seems assured.

Respectfully submitted,

MARY E. A. PILLSBURY.

Report of Director of Drawing

Charles H. Noyes, Superintendent of Schools

Dear Sir:

The new James B. Crowley School house will be ready for accupancy in the autumn. Before it is too late to make a request, I wish to ask to have in every school room, part of the wall covered with beaver board tinted to match the walls. This treatment provides a very satisfactory opportunity to exhibit drawings and other school work. There should also be a locked closet somewhere in the building to be used exclusively for drawing supplies. This would tend to economy of time as well as material.

In all the grades it is increasingly difficult to carry out our program and comply with the requests which we receive for extra work. Enthusiastic people with special interests are constantly asking to have posters done by the school children. Health posters are asked for in every grade. People who are alarmed over the loss of life by accident, suggest that we make "Safety-first" posters. Others, who deplore our national extravagance, want posters made to inculcate Thrift habits, The Humane Society demands posters teaching kindness to animals, and the agriculturist wants posters with these slogans—"Plant your Garden early"—"Dig Deep" etc. Those interested in Americanization think patriotism can be taught by making posters extolling the virtues of Washington, Franklin and Lincoln, and we have perpetual requests for posters advertising special entertainments.

It is an interesting problem to make a poster, and I do not wish to belittle the importance of any of these subjects, but it is utterly impossible to carry on any regular course of art study and comply with all these requests.

It is with regret that I record the fact that in the Junior High School the drawing period has been cut one-half. This reduction in time will add greatly to our difficulties.

Respectfully submitted,

ELIZABETH L. BUCKINGHAM.

Report of School Nurse

Mr. Charles H. Noyes,
Superintendent of Schools,
Nashua, N. H.

Dear Sir:

In compliance with the rules of the Board of Education, I submit my tenth annual report.

The schools at the south side of the city were given the usual inspections and physical examinations by Dr. A. F. Mulvanity. Defects were recorded, parents were notified and advice was given in each case needing attention. The doctor has found marked improvement in the cleanliness of the children, and in the correction of defects. He vaccinated one hundred and ninety-eight children.

The work at the Dental Clinic is providing satisfactory as is shown by the requests of many parents who desire to send their children to the clinic and pay for the work. The dentists worked very hard to cover the schools last year and each one gave extra time thus making it possible to attend to the children of two schools besides the ones scheduled for dental work last year. They are very much interested in the work. The number of children treated from September 1922 to June 1923 was four hundred and eighty.

I feel that I can report general progress. The parents, teachers and all others who are called upon to further the work of medical inspection readily respond. It is for this cooperation that I wish to thank all assisting our department.

Respectfully submitted,

ELIZABETH C. SULLIVAN, R. N.

Mr. Charles H. Noyes,

Superintendent of Schools,

Nashua, N. H.

Dear Sir:

During the year 1923 the health work in the public schools of Nashua has continued with very few changes. 2850 pupils have been weighed and measured, 542 were found to be under weight.

The use of milk has been continued at the morning recess with an increase in the number of children buying it. Free milk for those who could not afford to by it was made possible through the support of the Community Council, The Woman's Club, Union Mothers Club and Business Girls' Club. The sum of $425.00 was contributed to be used for this purpose. This money has been a great help as a good many of the under-weight children could not afford to buy milk.

I have assisted Dr. S. G. Davis with Medical Inspection in six city and two suburban schools, also one half of the work in the High School. Defects have been recorded. Notices sent to parents, and home visits made in an effort to get defects corrected. When the family was too poor to get these defects corrected an effort has been made to get them corrected free of charge.

Through the help of Miss Lee, secretary of the Community Council, I have succeeded in getting help for a number of children which I otherwise could not have obtained.

I assisted Dr. Davis to vaccinate 72 pupils.

I wish to thank the teachers and all others who have cooperated in helping to carry on this work.

Respectfully,

ANNIE. B. PETERSON, R. N.

Class Oration, The Motto

Alexander John White

Song, Marching Song of Stark's Men Whelpley

CLASS

March! March! March! from sunrise till it's dark,
And let no man strangle on the way!
March! March! March! as we follow old John Stark,
For the old man needs us all to-day.

Load! Load! Load! three buckshot and a ball,
With a hymm-tune for a wad to make them stay!
But let no man dare to fire 'till he gives the word to all,
Let no man let the buckshot go astray.

Fire! Fire! Fire! Fire all along the line,
When we meet those bloody Hessians in array!
They shall have ev'ry grain from this powder-horn of mine,
Unless the cowards turn and run away.

Home! Home! Home! when the fight is fought and won,
To the home where the women watch and pray!
To tell them how John Stark finished what he had begun,
And to hear them thank our God for the day.

Edward Everett Hale

Class History

Ellen Rita Callahan

Song "Man-O-War's Man Marchant

CLASS

I know, my lads, that smiles are sweet,
I know what kisses are,
I know how sighs and beaming eyes
Will move the sternest tar.
But what's most dear to me in life,
Ay, selfish tho it be,
Is the rise and dip in a bonny big ship
In a wild and stormy sea.

Heave ho! heave ho!
Yo! merily ho!
So sings the stalwart tar;
The life for me is a life at sea,
Aboard of a man-o'war!

I know, my lads, there's charms ashore,
Sweet maids as fine as May,
But sweethearts, mind, it's true, you'll find,
Will oft but last a day.
Whereas the waves, the wind, the foes,
Will live till comes the end.
So a ship, you see in the end must be
By far the firmest friend.

Heave ho! heave ho! etc.

I'm wrong, you say! it may be so,
But "why" is far from clear,
It's suited me, this life at sea,
For nigh on twenty year.
Yet have your fling, I know full well,
Its human nature's way,
But the kiss of a lass, the pipe and the glass,
Mark this, but last a day.

Heave ho! heave ho! etc.

FIRE ALARM TELEGRAPH

This branch of service is now in good condition except the placing of wires in ducts located by N. E. T. & T. Co., in place of overhead wires, which work is still in progress as fast as ducts are laid.

Respectfully submitted,

HERBERT C. LINTOTT,
EUGENE W. DUNCLEE,

Board of Fire Commissionners.

REPORT OF THE

NASHUA HOSPITAL ASSOCIATION

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

ANNUAL REPORT
OF THE
Nashua Hospital Association
1923

Your committee has to report a satisfactory year and favorable condition of the school as to numbers and personelle of the pupils.

We had an incoming class of nine, one of whom had to give up work on account of illness, and one we dropped as unsuitable. The remaining seven are most promising pupils, taking a deep interest in their work and displaying a fine spirit of loyalty to the Hospital and Staff, and devotion to their parents.

In all, we have 23 nurses, an increased number being absolutely necessary by reason of the additional patients, 1923 showing an increase of 10% over any previous year.

Eight of our older students have each had three months attendance at the New Haven Hospital with which we are affiliated, two of them taking the course at the same time.

Four pupils have been graduated this year.

All lectures and classes have been given up to date, a class being given each day by the Superintendent or some one of the Graduate nurses on the Staff, and a lecture twice a week by one of the Staff physicians.

The increased number of nurses, which we have long desired, gives an opportunity for, at times, putting the older ones on special duty, which gives the nurse more self-reliance and a better knowledge of her needs when she takes up private practice. Incidentally it is of some monetary value to the Hospital since two of the girls have been specialling during all the month of December. Also the Superinten-

dent has been able to special indigent patients who were too ill to be left alone, and by having one of the younger nurses watch and report if need be to the head nurse I am sure, in one case at least, a valuable life was saved to her family. Such special care will do much towards reducing the mortality rate of the Institution.

All this is very encouraging, but the increase in numbers renders still more acute the necessity for proper housing of these young ladies who are devoting their lives to the needs of suffering humanity and we are woefully short of room. At present we have two rooms across the street, which entails much expense and is of no permanent benefit.

The past decade has wrought many changes in the country, and whereas a few years ago the cook and the housemaid were quite content to occupy the same comfortable chamber, now each must have her private room - she expects it, and if she does not get it, soon passes on in an endless procession to other scenes and pastures new. Can we do less for our nurses than we are obliged to do for the Hospital attendants? We have spent much thought on this subject. A builder has made an estimate as to the cost of enlarging the Annex so as to give 10 additional rooms. He considers $10,000 a conservative figure for the work, which seems to much for what it would give us. We have thought that if a small house near the Hospital could be rented for the help, it would be a good way out until something more permanent could be done, as that would give us sufficient room in the annex for the nurses and the expense would not necessarily be great, as we have enough furniture for the needful rooms. We should be very grateful for any helpful suggestions on this burning question from members of the Hospital Association.

ELBA B. BATHERTON
Chairman.

Report of the Executive Committee

To the Nashua Hospital Association:—

Gentlemen:—

Your Executive Committee submits the following:
Report for the year ending December 31st 1923.

Patients remaining in Hospital January 1st 1923	29
Surgical patients admitted	677
Medical patients admitted	265

City Guaranty Savings Bank	$1,811.73
Citizens Guaranty Savings Bank	3,049.61

Respectfully submitted,

ARTHUR H. COTTON,

Secretary, Board of Trustees.

REPORT OF THE
TRUSTEES OF EDGEWOOD CEMETARY

FOR THE
FINANCIAL YEAR
1923

CITY OF NASHUA

ANNUAL REPORT
OF THE
Trustees of Edgewood Cemetery

To the Honorable Mayor and Board of Aldermen:—

The Trustees of Edgewood Cemetery present their 31st annual report, for the calendar year 1923, as follows:

Our grounds and building are in good condition, usual attention having been given during the past season. Late in the year we purchased seventeen lots in the section bounded by Cushing Avenue, Adams Street, Forest Street which we believe would eventually be sold and would have houses built upon them facing Adams Street, thus making a row of probably seventeen houses backed up to what will be a very desirable part of our grounds. These lots were offered to us at a fair price, and we deemed it wise to insure the future by adding them to the Cemetery. The City Government have discontinued that part of Forest Street on which these lots abut, and the street thus reverts to us, and with these lots will be included in our grounds. In the near future we should extend our fences to include this land. We were able to pay for the lots out of funds on hand, except Five Hundred Dollars ($500.00) which we have borrowed. The whole transaction appears in the financial statements which follow.

The financial condition of the Cemetery on December 31, 1923 is shown as follows:

TRUST FUNDS FOR PERPETUAL CARE OF LOTS

Amount at last annual report	$35,549.33
Received during the year (15 bonds)	2,813.00
